Our candles are hand poured using a High Performance wax blend designed specifically to enhance both hot and cold scent throw. This wax adheres better to the sides of the jar, absorbs more fragrance than standard container wax and when combined with our lead free wicks, creates a larger melt pool to generate a more robust aroma covering a greater territory in your home or office. The natural opaque color of the wax permits brighter colors while

using less dye, which enhances the desired fragrance strength. Each 16 ounce frosted jar candle comes complete with lid and has a burn time in excess of 90 hours. The Bible verses are presented on a fashionable card tied around the neck of the jar.

With contemporary elegance in the design, paradise in each scent, and grace in every message, these candles are sure to become favorites in your homes.
